ASTRA SHARE

Scenario Modeling with Room Optimization

Presenter: Maggie Roberts, Client Experience Manager

Moderator: Nate Lichte, Marketing Lead

Webinar Reminders

- Participants will be automatically muted

- 10-15 minutes will be allocated for answering questions following the presentation

- Please submit questions through the Q & A panel within the webinar

Optimizing: 3 Scenarios

- Scenario 1: Taking a building offline

- Scenario 2: Using first floor rooms only for HVAC purposes

- Scenario 3: On-grid meeting patterns

- Reporting on the results

Setup for Scenario Modeling

- Excluding a building: clone preference set, add exclude rule

- Using first floor rooms: create first floor rooms region

- On-grid meeting patterns: mark on-grid meeting patterns as standard

Q & A

- If you haven't already submitted a question, please feel free to use the Q & A box.

- We will do our best to answer all questions posed, but know that you can always reach out to your Account Executive and Client Experience Manager if you have further questions.

Upcoming Webinars
